

# SERVICE RECORD

Pages are designed to be stamped with a sales stamp of the automobile repair shop who services your PEUGEOT.

Boxes below (date, mileage, next service, etc.) completed, according to your conditions, by the automobile repair shop you have chosen.

We recommend that you keep the invoices and documents that relate to the maintenance carried out on your vehicle.

If the vehicle is sold, it is necessary to hand all the vehicle documents to the new owner.

• Having the routine services carried out is a compulsory requirement to meet the conditions of the manufacturer's warranty.
